Application No.: 10/737,369

REMARKS

Applicant's undersigned attorney wishes to thank the Examiner for his courtesies extended during the telephone conference of even date. The claims have been amended above in accordance with the agreement reached during the teleconference.

The above amendment amends claims 1, 10 and 16 by incorporating the limitations of respective dependent claims 2, 5, 6 & 9, which claims are cancelled along with dependent claims 14 & 15 and 17 & 18. The dependency of claims 7 and 19 are appropriately changed. Antecedent basis for "the user's identity" of claims 7 and 19 and reading thereof is also added to the independent claims.

It is noted that an IDS was submitted on March 28, 2005 submitting a corresponding International Search Report which cited references previously cited by the Examiner on PTO-892. If appropriate, acknowledgement thereof is requested, but may be unnecessary in view of the Examiner's consideration of the references as reflected in the PTO-892 for this case.

Respectfully submitted,

Purkayastha et al.
